

Cub Cadet®

SERIES 2500 EXCLUSIVE FEATURES

15-Position High-Back Deluxe Seat w/Arm Rests

Adjusts to meet the height and weight demands of any operator, providing more comfort and support

AutoHydro™ Cast-Iron Transmission w/Cruise Control

Changes from forward to reverse without clutching. Foot pedal speed control allows for an infinite range of forward and reverse speed

Hard Coated Cutting Blades

Nearly twice the thickness of regular mowing blades. Heat treated & tungsten carbide coated to stay sharp longer

SmartJet® Deck Wash System

Allows for ease of cleaning after mowing

4 Anti-Scalp Wheels

Provide smooth, even cut

Premium Kohler® Command® OHV Horizontal Shaft Engine

Equipped with such features as full pressure lubrication, replaceable spin-on oil filter, cast-iron cylinder sleeve and large automotive-style air filters

Premium, Rear Pivoting Hood

Automotive-style front hood latch molded from corrosion & dent-resistant high-impact ABS material

Heavy-Duty Direct Drive Shaft

Brings power directly from the Engine to the transmission with no belts to slip, snag or break

11-Gauge Welded Steel Frame Rails w/cast-Iron Front Axle

Full length twin C-channel construction absorbs stress for longer tractor life. Cast-iron construction of front axle assures durability and long life under tough condition
